## Flea Table Reservations

This form must be mailed along with your check or money order in order to reserve your flea tables for DixieFest 2005. Upon receipt, your paperwork will be sent to Steve, N4SG in order for him to confirm your table rental. Steve will reserve the number of tables that you request and will email a confirmation receipt to you or in the event that you do not have an email address, the receipt will be sent via US mail. Please bring your receipt with you to the hamfest in order to identify yourself as the renter of the tables. Your check or money order must be made out to DixieFest, Inc. Please do not send cash. Mail in forms and checks must be received in our PO Box no later than March 1, 2005. Tables not paid for on that date will be made available for others to rent unless you contact us and let us know that you are still coming. If you can't guarantee that your check will reach us by March 1, then you need to pay for your tables when you arrive at DixieFest. There will be no refunds on table rentals.

DixieFest will not be responsible for providing tables based on the electronic reservation form alone. You MUST mail this hardcopy form with your rental fees for tables to be confirmed. Flea Tables are \$20 each.

All flea tables include an 8' x 10' space, one 8' x 2.5' table, and one chair. Additional chairs are available for a nominal fee. If you requested power in your table area, you will need to provide your own extension cords.

Please fill out this form completely, sign and enclose your check or money order. Mail form and fees to:

DixieFest, Inc.
